

Our Fall Fundraiser: INNISBROOK GIFT WRAP & CHOCOLATE

*Packets went home with students on Friday, September 3rd.
Fundraising effort ends Friday, September 24th.*

WHY DOES OUR SCHOOL FUNDRAISE?

School Fundraising has long been necessary to provide our children with “extras” like special assemblies, curriculum support, extra supplies and equipment, etc. **Now, with our state budget crisis, education has suffered further cuts**, and fundraising will now be crucial for such necessities as classroom support, technology, books, science programs, and many other things which we consider inevitable to providing our children with a good education.

We, the parents can make a difference. But, it takes a “whole” school commitment. We all need to join together to support our major fall fundraiser. This means parents, teachers, and administration. With everyone’s support, we can make a difference.

Our school receives up to 50% profit on items purchased during this fundraiser, and we continue to receive 40% profit* ALL YEAR ROUND, on items purchased on Innisbrook’s website at www.innisbrook.com. EVERY LITTLE BIT ADDS UP TO A LOT!!

With your continued support, we will continue to provide our children with the necessities that will enrich their educational experience. Thank you reaching above and beyond to help our children realize that the sky is the limit at Fairlands!

*Please reserve the www.innisbrook.com website for orders for out-of-town family and friends only. Our school receives a greater profit percentage when local customers/families order through the EZ Order site.
